Mrs. Grant, yes; Mr. Shamel, yes; Mr. Abbuhl, yes; Mr. Cottrell, yes; Mrs. Host, yes. Motion carried.

Additions and/or Corrections to the Agenda – None.

Items to be pulled and voted upon separately – Mr. Cottrell asked about Item B, Erate grant for network infrastructure. Mrs. Lint explained that participation in the Erate grant was approved in April 2017 by the Board and bids were also awarded at that time. The District was then required to apply for approval with the federal government and Item B is a reflection that the federal government has now approved the contracts and participation in the grant. Mr. Cottrell asked if the District was required to contribute 20% to the project and Mrs. Lint responded that was correct. Mr. Abbuhl asked if there was a deadline. Mrs. Lint responded that the grant had to be used within 5 years.

Subsequent to the discussion, no items were pulled to be voted upon separately.

Technology & Buildings and Grounds – Mrs. Lint discussed the following: It has been a busy month as Mr. Armstrong and her have been sharing responsibilities; the Erate project installation will begin at night on December 4th and 22nd; the Northside project is almost complete and all that remains is fencing and cleaning; Cory Sproul will be free to begin work on that building; a helpdesk system has been established; and, recently there has been a number of plumbing related items.

Mr. Rocchi asked about the fence installation at the Preschool. Mrs. Lint responded that the playground area will be completely fenced off.

Mrs. Host asked what the estimates were for fencing at Northside and the Preschool. Mrs. Lint responded that the cost is approximately $4,500 and $2,500, respectively.

Mr. Abbuhl asked if she was aware of the air conditioning issue at the Middle School gym. Mrs. Lint responded that she is not directly aware of the issue but she will look into it. Mrs. Host stated that Mr. Armstrong should have information regarding quotes.

Mr. Abbuhl asked about cleaning supplies at the weight room. Mrs. Lint responded that she has already spoken with Mr. Piccin about this issue.

Mr. Cottrell asked about the fire alarm at the Middle School. Mrs. Lint responded that there was a sensor in the library that needed to be reset.

Mr. Abbuhl asked who was called when an alarm was activated. Mrs. Lint responded that there is a list of contacts for each building usually beginning with the principal.

Mr. Abbuhl asked if the fire departments had keys to the buildings. Mr. Shamel responded that there was a lock box at each building which was accessible by the fire department.

Mr. Shamel commented that the sidewalk in front of the Middle School needs repaired and it also looks bad. Mrs. Lint responded that she would look into it.

Mrs. Host mentioned that musical director Lora Cotton had issues with the lighting. Mrs. Lint responded that she has already called Ms. Cotton and is waiting on a return call.

Mr. Cottrell asked if there was adequate salt and if the plows were ready. Mrs. Lint responded that the plows would be put on the trucks after Thanksgiving and there is a supply of salt on hand.

Buckeye Career Center Report – Mrs. Host discussed the following: The BCC house will be auctioned off tomorrow at 6:00 p.m. and the Carlisle Café is open daily from 10:30 a.m. to 12:30 p.m. The Café has received good reviews.

Transportation Report – Mrs. Peterman discussed the following: One new driver will be testing soon and one has just finished their class and there is still no word on the return of the 2 regular drivers who are off on medical leave.

Mr. Abbuhl asked about scheduling trips for events. Mrs. Peterman responded that it is going good and she is working out times with Mr. Evans.

Mr. Cottrell asked how many substitute bus drivers were used. Mrs. Peterman responded that zero were used.

Mr. Abbuhl asked if the $15 per hour substitute rate was working. Mrs. Peterman responded that it is not helping.

Cafeteria Report – Mrs. Burlison discussed the following: Mrs. Grant contacted her with concerns about the Middle School running out of ala carte items. She will address this issue with the building.

Mr. Shamel asked if more salads could be prepared at the Middle School. Mrs. Burlison responded that she is working on that issue.

Mrs. Grant stated that she felt if a student wanted a salad that there should be one available for them to purchase. Mr. Rocchi agreed with Mrs. Grant.

Principals' Reports – Mr. Watkins discussed the following items: He met with Mrs. Burlison regarding the salad issue and the possibility of ordering a salad bar; a fire drill is scheduled for Tuesday and will include participation by the fire department; thanked the Claymont Foundation for all of the grants that were approved for Middle School staff; Mrs. Monticelli received a grant that will allow the entire building to attend a program at the PAC in February; the park benches were removed and they are working with Mrs. Lint to install new ones; and, the art club painted positive messages in the girls' restrooms and he has received positive feedback from parents.

Mrs. Grant asked about the wreaths for Winter Wonderland. Ms. Hall responded that there will be a silent auction open to the public. Santa will also be there and an ornament station will be available for children.

Mr. Seibert discussed the following items: Conferences went well; the book fair was a huge success with $1,200 in books being purchased; an anonymous donor purchased books for those who were not able to; the new attendance law is keeping him busy; the special needs eye gazing training is going well; thanked the Nutrition Group and cooks for the Thanksgiving dinner; the special education teachers made meals for their students; a Rainforest presentation and family night will be held; discussed upcoming events and dates; and, explained they participate in the Blessings in a Back Pack program which provides food for students over the weekend.

Mrs. Grant asked if donations were being taken for the program. Mr. Seibert responded that yes he will take any items.

Mrs. DiDonato discussed the following items: Between the Elementary and Primary, there were 74 families that needed coordination for parent teacher conferences; the PTO Yankee Candle sale made over $10,000; the 3rd grade took the AIR test and it went well; the 2nd grade teachers were thanked for their efforts; 74 3rd grade students did not pass the STAR test; and, discussed upcoming events and dates.

Mrs. Miles discussed the following items: There were 12 new gifted referrals and 1 acceleration referral; only one 3rd grade student qualified for giftedness; the fall OST was given with results in December; the fall administration of the Alternative Assessment was given with 72 students not meeting the promotion score; the District has been awarded a new Title V grant in the amount of $39,000 which will be used for Orton Gillingham training and tutoring services; and, discussed upcoming meeting dates and events.

Mrs. Host stated that having only 1 student qualify as gifted seemed low and asked if that was normal. Mrs. Miles responded that the cut-off score was raised and that is what she attributes it to.

Mr. Abbuhl asked how many passed the 3rd grade test. Mrs. Miles responded that 100 students have passed and those that have not passed will be given 4 more opportunities.

Mr. Rocchi explained that the 3rd grade test is based on skills students should have at the end of the year but it is given at the beginning of the year.

Mrs. Miles explained what testing is given and what the tests actually report.

Mr. Abbuhl asked when the District stops teaching cursive writing. Mrs. Miles responded that it is taught in 2nd through 4th grade as it is not part of the mandated state curriculum and is taught in May after testing has been completed.

Mr. Cottrell asked if we are doing what is best for students. Mrs. Miles responded that we are doing what the state requires.

Mr. Rocchi stated that we are doing what is best for kids and what is required by the state.

Mrs. Miles stated that we follow the letter of the law for what is required.

Mr. Cottrell asked why teachers are being pulled out of their classrooms to go to meetings. Mrs. Miles responded that this school year teachers will only be attending 1.5 days of professional development and to review data. Discussion ensued with Mr. Abbuhl and Mr. Cottrell questioning why teachers are not in class teaching.

Mr. Rocchi responded with the following: We as a District are following the law. He explained what is required by law. Things are different but they are following best practices to get kids to learn to read. Teachers are doing a great job but it is a different mindset. Every kid deserves to make their maximum potential. Preschool to 3rd grade teachers have a hard job but every kid should have the same opportunities. The District is using a focused system. He is here for the kids and wants every kid to learn to their best ability.

Mr. Cottrell asked if having substitutes was a distraction. Mr. Rocchi responded that it would be more of a distraction for the teachers rather than the students. He believes the teachers have risen to the challenge.

Mr. Abbuhl asked about adding cursive writing to the curriculum. Mr. Rocchi responded that it would need to be a District decision and he would need to see how to find time to fit it into the daily schedule.

Michele Henry stated that when her son was in kindergarten he struggled with reading; however, he is now in 2nd grade and is at the top of his class. She believes that whatever is being done is definitely working.

Mr. Rocchi stated that the District needed to stay the course with the process and eventually we will be able to achieve better scores.

Treasurer's Report – Mrs. Statler stated that while the District did receive the Title V Grant, which was discussed earlier by Mrs. Miles, the District also will not be receiving the Title VI-B Low Income Grant. This grant had been used to pay a portion of the cost of the social worker services from the ECOESC. No additional grant dollars will be received this fiscal year.
