CEA Report – N/A.

Curriculum Report – Mrs. Miles discussed the following: Claymont has used the eight allotted calamity days including three days of blizzard bags; February 15th is the midterm of the Third Nine Weeks; ODE has approved the use of alternative pathways for 2019 and 2020 potential graduates; currently, 43 students do not have the required End of Course points to graduate; Parent-Teacher conferences are scheduled for February 13th for all buildings except the Elementary, which will be held on February 21st after the second administration of the STAR Third Grade Alternative Reading Assessment; the window for OELPA testing for all ELL students has opened this week with testing to be completed by March 29th; the ACT will be administered February 20th to all juniors in the District; the deadline was missed to receive approval from ACT for testing accommodations; therefore, students with an IEP will take the ACT without accommodations this year and the District will pay for any affected student to retake the ACT next Fall or Spring; the window to complete alternate assessments will open on February 18th; District Leadership Team will meet on February 20th.

Special Education & Preschool Report – Ms. Hall discussed the following: There are 5 evaluations and 19 IEPs scheduled for February; Intervention Specialists will be completing service rubrics for the upcoming school year to assist with planning for needed special education supports and services across buildings; Emily Vickers, Vocational Rehabilitation Counselor with OOD, will be meeting with the High School Special Education staff on February 14th regarding services to help prepare our students for graduation and locating jobs; information will be extracted from the current

special services software and transferred into IEP Anywhere over a two week period following May 17th; OMERESA and IEP Anywhere representatives will be providing staff training on May 31st; the window for completing Alternate Assessment for Students with Cognitive Disabilities is February 18-April 12; the window for completing the OELPA for students identified as English Learners to measure student's language proficiency is February 4-March 29; notice was received on February 4th for submission of the Step Up for Quality Annual Report within 90 days to provide evidence that we have maintained our 5 Star Rating; upcoming events: February 13th – Parent-Teacher conferences, February 14th – Valentine's Day Celebrations, February 28th – Family Fun Night, March 6th – Sammy Safe Eyes, Realeyes.

Cafeteria & Transportation Report – Mrs. Peterman discussed the following for transportation: several buses have broken down and Mr. Castello is working on fixing them; concerned of vaping mechanisms on buses. Ms. Burlison discussed the following for the cafeteria: 40 lunches were prepared for the Mock Trial team trip and will be doing it again this Friday; National Pizza Day was last Friday and the students were offered a variety of different pizzas; will be providing the food for the National Honor Society dinner on March 5th.

Director of Operations Report – Mrs. Lint discussed the following: (Technology) Since last board meeting, the technology department has completed 54 support calls with 8 still open; she has finished updating the student focused Acceptable Use Policy; upcoming projects include updating Middle School and Intermediate security systems (pending grant approval). (Custodial) As of February 11th, all custodial staff have returned from long term absences. (Maintenance) Processed 20 support requests with 13 open; a lot of time has been spent on plowing snow; had roof leaks at the High School music room and the Primary School kindergarten wing; the shingles at the High School are very brittle and the roof will need attention sooner than later, but it is very expensive; converted one classroom at the Intermediate with LED lighting and are moving forward with converting all classrooms in that building at a cost of $9,000 with a 50% rebate coming from AEP and an estimated yearly cost savings of $7,600; continue to fix problems with heat on a daily basis within classrooms, but no major outages; replacing the tile on the walls at the Primary and Elementary Schools with brick would cost $20,000; looking at a possible alternative in using vertical siding; the outside locks at the High School have been replaced; all staff will use key fobs to get in one of the four entry doors; upcoming project at the High School includes replacing the external parking lot lights with LED lights and receiving half the cost back from the AEP rebate program.

Principal's Reports – Mr. Henry discussed the following: getting ready for parent-teacher conferences; testing for the ACT was held at the High School February 9th; Mr. Lunsford and Ms. Conn are preparing for National Honor Society interviews; talks have begun for scheduling for next school year. Ms. Conn had also provided a written update

in her absence that discussed the following: recognized senior bowler Hunter Heavilin in bowling a perfect 300 game against East Canton; recognized that three of the four mock trial teams that competed at the county tournament on January 18th advanced to the district competition and will compete at Marietta on February 15th; recognized the cheerleaders with an impressive performance at regionals on February 9th that qualified them for the state competition in Columbus on March 10th; parent-teacher conferences are scheduled for February 13th from 4-7 p.m.; the CAST group will be making Valentines to deliver to nursing homes; encouraging students to attend a meeting at Kent State Tuscarawas Campus about College Credit Plus on February 16th; all juniors will take the ACT on February 20th; Mrs. Klingler and the yearbook team would like to thank Jacque Peters for donating a beautiful Christmas backdrop to the yearbook program.

Buckeye Career Center – A written update was provided by Cyndy Host. The update included the following: plans are moving along for the construction of the Energy Operations Project with a start date geared for March 2019, completion date of March 2020, and students moving into the labs in August 2020; February is Career Tech Month with events planned to highlight what BCC does for students and communities; Pancakes with Parents is scheduled for February 13th with over 400 RSVPs; the BCC Summer Manufacturing Camp program has been referred to as a model for the State with Superintendent Alsept and seven others invited to be part of a statewide summit in Columbus; 2019 Officers: President – Cyndy Host and Vice-President – Francis Pichetti (Indian Valley).
