**Public Comments:**

*(In order for the Board to fulfill its obligation to complete the planned agenda in an effective and efficient manner, a maximum of thirty minutes of public participation is scheduled. A district resident who wishes to address the Board must inform the Superintendent at least one week prior to a regularly scheduled or adjourned meeting of the Board and provide both name and the specific item(s) to be presented to the Board. The Superintendent will have the resident's name placed on the agenda. No presentation shall exceed five minutes on a topic of discussion. If multiple speakers indicate a desire to speak on the same issue, the presiding officer shall relate the board's desire that the speakers designate two people to speak for the group. The board asks the audience to refrain from responding to the speaker's comments, including cheering and applauding, so that all board members can focus their attention entirely on the speaker. Although the Board may ask clarifying questions, please be reminded that the Board cannot respond directly to any comments made this evening.)*

**Wendy Mann, Twin Cities Kids' Coalition:** Wendy Mann introduced herself as a local resident, business owner, and parent. She explained that the Coalition is a non-profit established to offer services for youth of the area. They provide alternatives to substance abuse and delinquent behaviors. They are currently using a basement of a local church but are looking to purchase their own teen center. She described the various organizations that they partner with. They work with all children in grades 5-12 but they target those from Claymont. The goal is to get 30 students to participate. She

then gave census data that relates to the City of Uhrichsville and its residents.

**John Ralston, school safety:** He currently has a child who is a junior at the high school. With another recent school shooting, he wanted the board to take care of safety at the local level. He wanted to know what the board's ideas were going forward. He stated there are local districts that allow teachers to carry guns. He does not know if that is the solution or the right thing to do. He believes that every school should have an armed security guard. He has been to the high school and while the door is locked, no one would know if someone was carrying a weapon. He feels strongly that the board needs to do something now.

**Additions and/or Corrections to the Agenda** – Mr. Rocchi indicated that Item A, resignation of Elizabeth DiDonato needed to be pulled from the agenda.

**Items to be pulled and voted upon separately** – Mrs. Sproul asked that the Director of Operations contract for Beth Lint be pulled and voted on separately as Item A-3. In order to generate funds for the scholarships, Mr. Rocchi has allowed all staff members to participate in "Mustang March Madness" whereby a $20 donation is made and the staff member can then wear jeans every Monday in March. She is hopeful that this will allow CEA to provide 4 scholarship to 2018 seniors.

**Technology & Buildings & Grounds Update** – Mrs. Lint discussed the following: She sent a report to all board members on Thursday and asked if there were any questions regarding that information. Mr. Abbuhl asked if she had received a quote for the middle school gym air conditioning. Mrs. Lint responded that she has not received a quote. She has worked with the Athletic Director to schedule repairs/maintenance around practices in the buildings and at the stadium; the waterline project at the stadium will begin in June with assistance by Twin City Water & Sewer; plumbing repairs at the middle school gym with start in early June; the roof over the boiler room at the middle school will need to be addressed this summer; the boilers were assessed and it was determined that the middle school and elementary units had the most issues and an approximate repair cost of $157,000; and, the estimate for air conditioning at the middle school gym was $73,000, which did not include the cost of electric. Mr. Abbuhl asked if Metal Masters gave her a quote on the air conditioning. Mrs. Lint responded that they only provided a quote for fans.
