Cafeteria & Transportation Report – Ms. Burlison reported that the Akron Zoo brought the Zoo Mobile to the Elementary School and Thanksgiving dinners were provided for lunch at each of the schools the week prior. Mrs. Peterman reported that bus evacuations went well and the videos shown at the schools had a positive impact on the students. Mr. Beckley asked about the bus driver situation that resulted in having to cancel the bowling teams' match that night and how will it be corrected. Mrs. Peterman explained that a driver had taken the trip, but then turned it back in; she had a regular driver call off and another out of town. She did not have enough drivers to cover the regular routes and leave early to take the bowling teams. Mr. Beckley wants to try to make sure we have a bus for them. Mr. Abbuhl asked if a substitute driver could take the trip and Mrs. Peterman replied yes, after it is offered to regular drivers first. But, in this situation, both of the substitutes were already driving a regular route.

Director of Operations Report – Mrs. Lint reported that her monthly update was sent to the Board Members through email. She did note that the High School evening custodian position's time was being changed from 11p-7a to 10p-6a and will start November 26th. She is also looking into the cost to convert all lights to LED and the cost savings that would be involved. Mr. Abbuhl asked when another company would

be coming to give an estimate on the Primary's building roof. Mrs. Lint responded that another company that uses Duralast will be in on November 27th.

Buckeye Career Center – A written update was provided by Cyndy Host. The update included the following: BCC is building an Energy Operations Faciltity with a pre-bid meeting held on November 7th; there is a "Friend of Adult Education" Pasta Dinner and Silent Auction scheduled for December 8th with proceeds to benefit the Scholarship Fund; the renewal levy on the ballot earlier in the month passed; and Hunter McKim, a senior at Claymont High School was on the Natural Resource Team that placed 1st in the District Foresty Contest and went on to finish 6th in the State.
