ACADEMIC POLICIES

The process of selecting and enrolling in specific courses is required of each student yearly. Any student failing to return a class registration form to their school counselor in a timely manner will have their courses selected for the following year as determined by the counselor and/or principal. For complete information about academics, please see the [Academic Planning Guide and Course Catalog](#). If you have questions about your classes or your pathway to graduation, talk to your school counselor.

CLASS (COURSE) LOAD

1. Each student is required to enroll in no fewer than six (6) credits per semester per year. **(According to Ohio High School Athletic Association policy, a student must have passed five (5) credits or the equivalent in the preceding grading policy in order to be academically eligible to participate on an athletic team.)**
2. Students should select classes so that their schedule will include no more than one (1) study hall per day, per semester.
3. Students are expected to be in school the full school day.

SUGGESTED CREDIT PROGRESSION FOR GRADUATION

Credits earned by the end of each year:

Freshman	At least five (5) credits
Sophomore	At least ten (10) credits
Junior	At least fifteen (15) credits
Senior	At least twenty one (21) credits

All students, along with their parent/guardian, will work with a school counselor to create a Graduation Plan.

CLASS CHANGE POLICY

The purpose of registration is to gather relevant information to serve as a basis for planning the master schedule. Once registration is completed, schedule changes will be permitted only in extreme circumstances. Before any change may take place, it must be approved by the student's counselor and the principal.

Schedule changes will be made only due to:

- Clerical errors by the office
- Program changes such as moving from the district.
- Buckeye students wishing to transfer back to Claymont High School
- Documented health concerns
- Adding a class in place of a study hall

Other than the above, the following policy will govern all schedule changes:

- No course may be added after five class days
- A course dropped after the tenth day of class may result in a grade of WITHDRAWN FAILING (WF) and is at the discretion of the principal.
- Required courses may not be dropped
- Extenuating circumstances will be reviewed by the counselor and principal on an

individual basis.

COLLEGE CREDIT PLUS (CCP) ENROLLMENT OPTIONS

This program permits high school students to enroll in a participating Ohio college either on a full or part-time basis. Completed courses will earn high school and/or college credit.

To be eligible to participate, the student and his/her parents/guardians must attend an informational session and express their intentions to participate by April 1st. The student must also have been admitted by a participating Ohio college for enrollment in this program.

Courses taken under the CCP program will be placed on the student's transcript and counted toward graduation requirements. All students must take a minimum of (6) credits each semester between the two schools.

CREDIT REQUIREMENTS

All courses are assigned credit based upon the number of hours the courses are in session. Academic classes must meet 120 clock hours to earn one (1) full credit. Physical education classes must meet a minimum of 60 hours for ¼ credit and 120 hours for ½ credit.

EARLY GRADUATION

Any student wishing to complete the formal high school education in less than four (4) years may do so by meeting the following procedural and educational requirements:

PROCEDURAL STEPS REQUIRED

1. A written request from parents or guardians to the principal must be received no later than June 1 of the year preceding the anticipated early graduation (after sophomore year).
2. A conference between the parents or guardians, the student, and the early graduation committee will take place once the principal has reviewed the case and given tentative approval of the request.
3. After these two (2) steps have been completed, a formal application form will be completed and signed by the student, parents or guardians, and the building principal.

EDUCATIONAL STEPS REQUIRED

1. A maximum of one (1) course may be taken outside the regular school program. This may be completed through an approved correspondence school or an approved and accredited summer school program on the high school or college level.
2. All graduation requirements of the Claymont Board of Education and the Ohio Department of Education must be completed. Failure to meet any graduation requirements will result in the termination of the early graduation agreement.
3. All applicants must have attained a 3.00 grade point average and maintain it until the completion of the early graduation agreement.

4. The student's attendance record and behavior record will be given strong consideration before the early graduation committee grants approval.
 5. A student who opts for early graduation forfeits all eligibility for class and school honors, in addition to waiving the right to take part in any senior activities scheduled during the senior year (i.e. homecoming, prom, commencement, etc.).
 6. A student who successfully completes the early graduation program will receive a diploma.
 7. The early graduation committee shall consist of both guidance counselors and high school principal. They shall make recommendations to the Superintendent of Schools.

GRADE CARDS

Grade cards will be issued approximately 10 days following the end of each nine-weeks grading period. Parents and students may access grade cards using Progress Book and hard copies will be mailed. You may contact the main office if you need assistance with logging in. Any student wishing to discuss a grade with a teacher must make an appointment at the teacher's convenience.

HONOR ROLL

Students are selected for the Honor Roll based on their grade point average for each grading period.

Principal's List

The Principal's List is the highest of the academic honor rolls. To be eligible for the Principal's List a student must have a semester grade point average of 4.00 or above, with no grade below a "C" including CCP courses.

High Honors

To be eligible for the High Honors List, a student must have a semester grade point average ranging from 3.75– 3.99 with no grade below a "C."

Honors

In order to be selected for the Honors List, a student must have attained a semester grade point average ranging from 3.50 – 3.749 with no grade below "C"

HONESTY IN ACADEMICS

Teachers can frequently see the difference between a student's usual work and work that is not his/her own. Protecting honest students from unfair competition requires that teachers take care in looking for and acting against dishonest practices.

Claymont City Schools has adopted a policy against cheating and plagiarism.

Cheating includes, but is not limited to:

1. Obtaining or keeping partial or whole copies of tests or quizzes, except as allowed by the teacher.
2. Using notes, textbooks, or other information during tests and/or quizzes, except as allowed by the teacher.
3. Obtaining or exchanging information during tests.
4. Copying homework assignments.
5. Taking a picture of a test or assignment and sharing it with other students.
6. Additional actions as set by teachers.

Plagiarism includes, but is not limited to:

1. Copying words, sentences, and/or paragraphs directly from the work of another without proper credit.
2. Copying illustrations, figures, photographs, drawings, models, or other visual or non-visual materials of another without proper credit.
3. Presenting work prepared by someone else in final or draft form as one's own.

Whenever a student is guilty of cheating, the teacher shall collect the student's paper, mark a zero (0) for the work, and notify the parent immediately as to the action taken. In this notification, the parent shall be informed that a second offense will bring disciplinary action.

INCOMPLETE GRADES

In some cases, due to excused absences, it may be impossible to have all work finished by the end of the nine-weeks grading period. The teacher may then record an incomplete ("I") for a grade. The "I" indicates that all work has not been completed. If a student receives an incomplete, he must see his teacher about any assignments missed. An incomplete must be made up within two (2) weeks after the end of the grading period. If incomplete work is not turned in by this deadline, all work not finished will be assigned a value of "0" and averaged in with the remaining grades to determine the nine-week grade.

If the teacher determines that the nature of the incomplete work is such that failure to satisfactorily complete this work results in the minimum course requirements not being met, a final grade of "NC" will be assigned in the course and no credit will be awarded.

PROGRESSIVE ACADEMIC AWARDS

Whereas honor roll awards recognize students based solely on grades, students may qualify for Progressive Academic Awards by displaying excellence in attendance, academics, and behavior. Students will receive an academic award for meeting the following criteria through the first three grading periods:

1. No unexcused absences.
2. No Suspensions (ISS or OSS)
3. GPA of 3.5 through the first three 9 weeks
4. No grade below "C"

Students who meet these criteria will receive the following awards:

- Year 1: Academic Letter
 - Year 2: Academic Pin
 - Year 3: Academic Medal
 - Year 4: Academic Plaque
-

STUDENT DAILY SCHEDULE

Students are expected to be in school the whole day except in the following circumstances:

- 1) They are enrolled in CCP classes
- 2) They are enrolled in a Pre-apprenticeship or Capstone program through our Career Tech graduation pathway.

Students are urged to plan their daily schedule such that, upon arrival, they go to their lockers and get the books needed for their morning classes, then report to their class/homeroom before the tardy bell rings. Being tardy to school can result in disciplinary action.

STUDENTS ARE NOT TO LEAVE THE SCHOOL BUILDING AT ANY TIME DURING SCHOOL HOURS EXCEPT BY SPECIAL PERMISSION OF THE PRINCIPAL.

Except in the case of scheduled activities supervised by members of the staff, or their authorized representatives, no student is to remain in the building more than fifteen (15) minutes after the conclusion of the school day.

STUDENT FIELD TRIPS

Field trips taken by a class must be approved in advance by the school administration. In order for a student to participate in a field trip or other activity requiring early release, excluding participating in scheduled sports activities, a student must have turned in a permission slip signed by the parent/guardian, and completed the ONE VIEW Online forms, and have an acceptable attendance record. Teachers always reserve the right to deny a student's participation on a field trip.

TARDY TO CLASS

Students are expected to be in class and ready to begin at the start time of each class period. Students should not be in the halls, restroom, or anywhere except in their assigned location. Once a student accumulates 4 tardies to class in a semester, the teacher will assign them a common lunch detention.

VALEDICTORIAN, SALUTATORIAN and CLASS RANK (classes 2024 and 2025)

GPA to determine Valedictorian, Salutatorian and Class Rank will be calculated at the end of the 7th semester of high school. The administration reserves the right to limit the number of graduation speeches delivered and will approve speech content before graduation.

ACADEMIC HONORS RECOGNITION AT GRADUATION (class of 2026 and beyond)

Beginning with the Class of 2026, CHS will recognize students at graduation using the Latin Honors System. ***The graduating class of 2026 will be the first to earn recognition through the Latin Honors System.***

The Latin System provides a means of honoring students within a 3-tiered system comprised of: Cum Laude (with Honor), Magna Cum Laude (with High Honor), Summa Cum Laude (with the Highest Honor)

Level of Honor	GPA	Specific Seals Required	Distinction	Award to be worn at graduation
Summa Cum Laude	4.0 and above	Honors Diploma or Industry Credential Readiness Seal	Graduating with the Highest Honor	Gold Medal
Magna Cum Laude	3.750 - 3.999	Honors Diploma or Industry Credential or Ohio Means Jobs	Graduating with High Honor	Silver Medal

		Readiness Seal

ATTENDANCE

ATTENDANCE PROCEDURES

Regular school attendance is extremely important to the student's educational experience. Poor attendance often results in poor schoolwork and poor attitude towards education. The law requires that students attend school every day school is in session. Daily classroom participation is crucial to the student's education and good grades. A student must be in attendance to participate in the classroom.

There will be times, however, when it is necessary for students to be absent from school. All student absences are classified as either **Excused or Unexcused** (truant).

ABSENTEEISM

Absenteeism may be defined as the continued absence or repeated absences, over a period of time, by an individual or group of individuals.

We realize sometime there are extenuating circumstances such as hospitalization or extended physician care. Should these things occur, please stay in contact with the school and let us know of the situation. It should be understood that a student absent without an excusable reason, as defined in the attendance policy, will be held accountable by the administration and/or attendance officer and may face disciplinary action, either within the school or from juvenile authorities. .

ATTENDANCE REQUIREMENT FOR PARTICIPATION IN EXTRACURRICULAR ACTIVITIES

Students are required to be present in school in order to participate in any school activity. This especially applies to after school activities, such as athletic events, band, choir, drama, cheerleading, dances, etc. Students who are absent due to illness or truancy the last half of the day (after 10:55) may not participate in any school related activities or extracurricular events held after the day is over, unless there was a scheduled appointment.

EXCUSED ABSENCES

Excused absences are those authorized and permitted by the school. Make-up work, including tests, for excused absences will be arranged between the student and the teacher. *The student must take the initiative in the make-up procedure.* Except for extended illness, students will have one (1) day for each consecutive day's absence to complete the make-up work.

THE FOLLOWING ARE CLASSIFIED AS **EXCUSED ABSENCES**:

1. Personal Illness – The school may require medical documentation.
2. Illness in the Family- Absence required per doctor's orders or parent needs the student to remain at home.

3. Quarantine of the Home – The absence of a student from school under this condition is limited to the length of the quarantine as fixed by the proper health officials.
4. Death of a Relative – The absence arising from this reasonable cause is limited to a period of three (3) days unless a reasonable cause may be shown by the applicant student for a longer absence.
5. Observance of Religious Holidays.
6. Absence during Part of the School Day for Health Reasons – Because of the importance attached to good health, students who have appointments for health reasons shall be excused for that purpose, provided (A) the student has a statement to that effect from his/her parents or guardians, (B) the student brings to the attendance officer a signed statement from the doctor or dentist to the effect that he/she reported promptly for such service, and (C) the student reports back to school immediately after his/her appointment if school is still in session.
7. Absence during Part of the School Day for Legal Reasons – a student may be excused from school if his/her presence is required in a court of law. Parental documentation or documentation from the court is required.
8. Others as determined by and with prior approval of a principal.

Procedure for Excused Absence/Tardy

If a student must be absent, the parent/guardian is asked to telephone the school by 8:15 AM at (740) 922-3471 on the day of the absence. The student, upon his/her return to school, must present a written excuse for the absence. The excuse must contain the following:

1. **The date of the absence**
2. **The specific reason for the absence from the list of excusable reasons**
3. **Signature of parent or guardian.**

This excuse must be presented to the attendance officer before school on the day the student returns. Upon the beginning of school on the **5TH** day of his/her return, without an excuse being presented to the office, the absence will be **UNEXCUSED**.

For an absence to be excused for a medical reason, a note from the doctor, dentist, etc. must be presented to the attendance officer upon the student's return to school. Upon the beginning of the **5TH** school day after the student returns to school, without the medical excuse being presented, the absence will no longer qualify to be excused for medical reasons.

EXCESSIVE ABSENCES

There is a positive correlation between a child's attendance and achievement. Class attendance is important because it is not possible to completely make up what is missed. Each classroom experience is important.

The law requires that parent notification is made when a student accumulates 38 or more hours in one school month or 65 hours or more hours in a school year of absences, regardless of the reason. The primary responsibility for school attendance is

placed with the parent. They are responsible for only permitting absences that can be excused under the recommendations of the State Department of Education.

UNEXCUSED ABSENCES (TRUANCY)

Truancy is when a student deliberately misses school or class without an excusable reason. Often the parents are unaware of the student's absence during this time. Students are truant if they are absent from school without an excusable reason, leave school without permission of their parents, come to school but do not attend classes or obtain permission to go to a certain place but do not report there. The attendance laws of the State of Ohio (HB 410) shall be enforced.

Habitual truancy is defined as

- 30 consecutive hours of unexcused absence
- 42 or more hours of unexcused absence in a month
- 72 or more hours of unexcused absences in a year

Truancy will result in disciplinary action, the student being put on an Absence Intervention Plan, notification will be made to the Department of Job and Family Services and possible charges filed with juvenile court. Parents or guardians who knowingly permit their child to be truant will be liable for prosecution.

A student absence that does not fall under one of the EXCUSED ABSENCES and/or when proper procedures are not followed is considered an UNEXCUSED ABSENCE, and the student is considered truant on that day.

Unexcused absences (truancy) consequences:

1. After 8 days (52 hours) of unexcused absence, the students will be assigned an In School Suspension or a Friday School. A referral will be made to the Absence Intervention Team.
2. After 11 days (72 hours) of unexcused absence, the student will be assigned an In School Suspension or a Friday School. An Absence Intervention Plan will be written and JFS will be notified. The Absence Intervention Plan team will consist of at least two staff members and the child's parent/guardian. The team will develop a plan to get the student to school consistently/keep the student in school. If progress is not made after 60 calendar days, the district may file a complaint with the juvenile court.

PARTIAL UNEXCUSED ABSENCES/TARDY TO SCHOOL

Students at Claymont High School must report to their homerooms by 7:40 AM or they will be marked tardy. Arriving after 7:55 AM is considered a "partial excused" or "partial unexcused" absence. Even missing 5 or 10 minutes of the school day is detrimental to the education of the student. It directly impacts their success and disrupts the learning

environment for all students. If a student provides an excuse from the list of reasonable excuses, it is considered “partially excused”.

1. Students must check in at the attendance office immediately upon entering the building.
2. A pass with arrival time will be given to the student to be admitted to class.

Tardies and Partial Unexcused Absence Consequences

Any student late to school will report to the attendance office. Tardiness to school may be excused under the same conditions as an absence.

- After **four (4)** unexcused tardies/partial unexcused absences per semester, a letter will be sent to parents and a common lunch detention assigned.
- After **eight (8)** unexcused tardies/partial unexcused absences per semester a letter will be sent to parents and one day of In School Suspension or Friday School will be assigned.
- After **twelve (12)** unexcused tardies/partial unexcused absences per semester a letter will be sent to the parents and two days of In School Suspension or two Friday Schools will be assigned.
- After **sixteen (16)** unexcused tardies/partial unexcused absences, charges will be filed in Juvenile Court. A referral will be made to the Department of Job and Family Services.

PRINCIPAL’S DISCRETION

It is understood that each situation is unique due to varying circumstances. The principal shall have full discretionary ability to deal with student attendance cases on an individual basis.

CODE OF CONDUCT

Effective discipline is an important and necessary prerequisite for effective learning. The intent of rules and regulations is to create a positive educational environment, which holds students accountable for their behavior and teaches them that there are consequences to their decisions.

STUDENT GUIDELINES FOR REASONABLE CONDUCT AND RESPONSIBILITY

The Board of Education and School Administration recognize the rights of students as individuals. It is also recognized that these rights must be balanced with the interests of an orderly and effective educational process in a school environment conducive to the healthy growth and development of all students. Teachers must be able to teach, supervise, and conduct their educational program. Students should not lose their right to a good education because of the disruptive actions of another student. In general, we all must consider the rights of others and assume the responsibilities that our rights place upon us.

Expected Behaviors

Students are Expected to:

1. Be courteous and respectful to adults and fellow students
2. Be on time to school and class
3. Be attentive in class
4. Work cooperatively with others regardless of the other's ability, gender, race, or ethnic background
5. Complete assigned tasks on time as directed
6. Help maintain a school environment that is safe, friendly, and productive.
7. Act at all times in a manner that reflects pride in self, family, and in the school.

DEFINITION OF DISCIPLINARY TERMS

Detention:

The holding of a student in a specified limited area during lunch or before or after school. Failure to report to detention or not following detention rules may result in a Friday School or In School Suspension.

Detention Rules:

- 1) Cell Phones must be given to the detention monitor.
- 2) Students should bring work to complete during detention.
- 3) Students are not permitted to go to their lockers- they must arrive with all needed materials.
- 4) No talking, or sleeping.
- 5) No playing games or watching movies. Technology may only be used for school work.
- 6) Students will get their lunch at the beginning of 5B and report directly to the detention room.
- 7) If the monitor determines that a student is disruptive or has failed to follow guidelines, they will be dismissed and counted as absent.

Hearing:

When a student is sent to the office for disciplinary action, the student will be given an informal hearing by the administration. The hearing process and any forms which a student is requested to complete are designed to assure his/her of due process to which they are entitled by law. If prior to or during the hearing, the hearing officer decides that the student may be subject to suspension or expulsion because of the nature of the infraction, the student will be advised at that time.

Emergency Removal:

Removal of a student whose presence poses a continuing danger to persons or property or an on-going threat of disruption to the academic process. This student will be removed from school for the day.

Friday School:

This is held from 3pm to 6pm on Fridays at the Middle School. Students may ride the bus to the middle school, but will need transportation home at the conclusion of the 3 hours.

- 7) Absence on the school day of the assigned Friday School does not excuse the student's absence from Friday School. Absence due to illness or extreme emergency requires a note from the parent detailing the reason for the absence. A second consecutive miss requires a doctor's statement in order to excuse the miss. Any note to excuse a Friday School absence should be given directly to the assistant principal upon return to school.

In-School Suspension (ISS):

The placement of a student for an entire day in a place isolated from the rest of the students. Assignments will be required to be completed during this time.

- 10) Stay busy with something- read a book, write a story, draw a picture, do a puzzle, etc.

Office Referral:

If a student poses a threat to the academic process in a classroom such that other students are continually unable to learn, a student may be sent directly to the main office. The result of this could be detention, Friday School, In School Suspension, or Friday School.

Out-of-school Suspension:

The removal of school attendance and all school activity (OSS) privileges for a period of one (1) to ten (10) days. The student will be given the opportunity to explain their side of the incident. If a student is suspended, they will receive a statement of the suspension, an attempt to contact the parent will be made and an official letter will be mailed home. A student suspended from school may not participate or practice in any school event for the duration of that suspension. They are not permitted on ANY school property until the suspension is over. Students are able to make up all tests, quizzes and missing assignments for a passing grade, provided the work is acceptable.

Counseling Based Suspension Alternative:

Upon agreement of the school, parent, and the student, a student may be offered a counseling-based suspension alternative for some violations that otherwise result in an OSS or ISS. The suspension would be deferred pending successful completion of the offered course. The course must be completed in a reasonable time frame. Failure to successfully complete the course will result in the student serving the original suspension. A student will only be offered this alternative to suspension one time per academic year.

Expulsion:

The removal of school attendance and all school activity privileges for a specified period of time in excess of ten (10) days. Failing grades for all subjects taken are given if a student is expelled. A student expelled from school may not participate in any school event for the duration of that expulsion. Expulsions can be for a major rule violation, chronic misbehavior, or due to repeated offenses. If a student is considered a definite threat to other students or staff members, they may be immediately recommended for expulsion.

Permanent Exclusion:

The student is banned forever from attending a public school in the State of Ohio.

Referral to Local Police Authorities:

Students who violate a criminal law may be referred to local authorities in addition to any action which may be taken by the school.

No student shall use, exhibit the signs of being under the influence, sell, attempt to sell, possess, give, package, or deliver any prohibited substance while on the way to school, on school property or while involved in a school activity or function. **THE ODOR OF A PROHIBITED SUBSTANCE IS SUFFICIENT TO CONSTITUTE POSSESSION.**

For purposes of this policy, a prohibited substance is defined as:

CELL PHONE POLICY

**** for this policy, “Cell Phone” refers to any Electronic Communication Device or ECD**

Due to the significant disruption to the educational experience that cell phones cause, student access to cell phones will be limited during school hours. This will take a joint effort of the school and the parents/guardians and will serve to increase student engagement in class and lessen disruptions during the day caused by social media, texting and other forms of digital media. See this [Teacher Cell Phone Experiment](#) for a good reason to not allow cell phones in class.

The following rules will be put in place:

1. Cell phones will be placed in a central location during class time and may not be accessed by students except in the case that the TEACHER allows the phone to be used for educational purposes. (if there is a medical reason to use a cell phone, the school must be given notice by the parent/guardian)
2. No earbuds, air pods or headphones will be allowed in class or hallways for ANY reason except in the case that the TEACHER requests the students use them. These can be confiscated in the same way that a cell phone can.
3. During class, cell phones must be kept out of sight and not utilized at all- you should not be checking your phone for the time, using it as a calculator, or ANY OTHER REASON, unless the teacher specifically permits it.
4. The use of cell phones should be restricted to educational purposes only and must comply with state and federal laws, as well as the Student Code of Conduct.
5. Phones can only be accessed before school, after school, or during lunch.

6. Phone calls, taking pictures, recording videos and accessing social media sites are **prohibited** at all times during the school day.

Other things to know in regard to cell phones:

1. If a teacher requests that a student turns over their cell phone, the student must comply. If a student refuses to comply, they will be sent to the office for disciplinary action.
2. Your phone will not be searched by school officials and can be powered off when turned into the office.
3. Should any offense involve illegal activity, the matter will be referred to the police and the phone will not be released until all discipline has been served.
4. If it is discovered through an indirect investigation that a student did not comply with the cell phone policy, the student may be disciplined accordingly.
5. Possession of a cell phone is a privilege, which may be forfeited by a student who fails to abide by the terms of this policy, or who misuses this privilege.
6. Violation of this policy may result in disciplinary action, which could include detention, suspension, Friday School or confiscation of the cell phone.
7. The cell phone is the responsibility of the student. The Board is not responsible for preventing theft, loss, damage, or vandalism to cell phones brought onto school property.
8. Parents who need to get in touch with their child during the day should call the school. Students are permitted to use the office phone to contact parents during the day.

Violations of the Cell Phone policy will be dealt with in the following way:

1st Offense- Cell phone goes to the office for the remainder of the day. The parent called.

2nd Offense- Cell phone goes to the office, detention is given and a parent must pick up the phone.

3rd Offense- Cell phone goes to the office, In School Suspension is given and a parent must pick up the phone.

HARASSMENT ISSUES

The Board of Education recognizes that a student has a right to learn in an environment untainted by sexual or other forms of harassment or discrimination. Offensive conduct which has the purpose or effect of unreasonably interfering with learning performance or creating an intimidating, hostile, discriminatory, or offensive learning environment disrupts the educational process and impedes the legitimate pedagogical concerns of the District.

The harassment by a student of a staff member or fellow student of this District is forbidden. Any student who is found to have harassed a staff member or student will be subject to discipline in accordance with law and the Code of Conduct.

Definition of Harassment

Harassment is “intentional written, verbal, or physical acts” exhibited by one individual toward another, more than one time, if it both causes mental or physical harm and is “sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening or abusive educational environment.”

Conduct constituting harassment may take different forms, including, but not limited to the following.

Sexual Harassment

- 1) Verbal: The making of written or verbal sexual innuendos, suggestive comments, and jokes of a sexual nature, sexual propositions, or threats to a fellow student, staff member, or other person associated with the District
- 2) Non-Verbal: Causing the placement of sexually suggestive objects, pictures, or graphic commentaries in the school environment or the making of sexually suggestive or insulting gestures, sounds, leering, whistling, and the like to a fellow student, staff member, or other person associated with the District.

Gender/Sexual Orientation/Ethnic/Religious/Disability/Height/Weight Harassment

- 1) Verbal: Written or oral innuendoes, comments, jokes, insults, threats, or disparaging remarks concerning a person's gender, national origin, religious beliefs, etc. toward a fellow student, staff member, or other person associated with the District. It also includes conducting a "campaign of silence" toward a fellow student, staff member, or other person associated with the District by refusing to have any form of social interaction with the person.
- 2) Non-Verbal: Placing objects, pictures, or graphic commentaries in the school environment or making insulting or threatening gestures toward a fellow student, staff member, or other person associated with the District.
- 3) Physical: Any intimidating or disparaging action such as hitting, hissing, or spitting on a fellow student, staff member or other person associated with the district.

Any student who believes that he/she is the victim of any of the above actions or has observed such actions taken by another student, staff member, or other person associated with the District should make contact with a guidance counselor, assistant principal or building principal with whom the student would most likely be comfortable in discussing a matter of this kind.

Each report received by the principal shall be investigated in a timely and confidential manner.

SCHOOL DRESS AND GROOMING

The appearance of any young person is the responsibility of that individual's parent/guardian. A student's appearance is a source of pride not only to the individual, but to the family and school as well. It is recognized that a student's mode of dress reflects personal style and individual preference; however, inappropriate dress and appearance may distract or become a detriment to the educational process, and therefore, will not be tolerated.

Students are reminded that anytime they represent Claymont High School in extracurricular events, including CCP, the following rules apply.

Dress will be judged in regards to its potential disruption in the learning process, health, and well-being of the student, safety and moral content. The temperature in the

building can vary, so students should dress accordingly. If the student's appearance is considered by the principal, assistant principal, or the guidance counselor to be inappropriate he/she will be asked to alter it. The interpretation and judgment relative to the student dress and grooming code rests solely with school officials and is final. The following dress items are NOT permitted to be worn in school and/or at school related events:

- 1) Clothing that is deemed too revealing. Bare backs, bare midriffs, and low-cut tops are not permitted.

SCHOOL TRANSPORTATION SAFETY RULES

The same regulations regarding care of property in the classroom or on the school grounds apply to those pupils who ride the school bus. Bus students are not permitted to ride any bus other than their assigned route unless special permission is obtained from the principal or transportation supervisor.

The bus driver is in full charge of the bus at all times and shall be responsible for order. The driver may assign each pupil a seat.

The following regulations are in effect for transported students:

Students choosing to violate the school transportation safety rules may have their bus-riding privileges revoked for a period of time. (Further consequences may also occur at the building that could result in detention, suspension, paying for damage, etc.) Continued violation of transportation safety rules may result in a student's bus-riding privileges being revoked for the remainder of the school year. **If a student has been denied the privilege of riding a school bus, this includes all school buses in the Claymont City School District.**

EXTRACURRICULAR ACTIVITIES

EXTRACURRICULAR PARTICIPATION

Participation in extracurricular activities is a privilege, not a right. Students involved are expected to follow all school and district rules and represent Claymont with pride and good sportsmanship at all times. As representatives of Claymont, students become role models for students of all grade levels and play a vital role in how the community sees our school. They should be respectful of other students, other teams and other facilities.

ATHLETIC ELIGIBILITY

The Claymont City School District is a member of The Ohio High School Athletic Association and will follow OHSAA guidelines pertaining to student eligibility and transfer requirements for all athletes and cheerleaders who participate in interscholastic athletics. The standards are established by the Ohio High School Athletic Association and may be changed by them at any time. The Ohio High School Athletic Association provides minimum requirements, however, will allow school districts to set more stringent guidelines. The OHSAA constantly reviews and revises policies and procedures regarding student eligibility and transfer requirements. Please refer to those policies by visiting www.ohsaa.org to find the most up to date information.

Before an athlete may practice or participate in any athletic program, he or she must have a doctor's physical, a signed copy of the Athletic Regulations against smoking, drinking, drugs, and tobacco usage, and an insurance coverage form filed with the Athletic Director. Physicals are valid for one (1) year only. This rule will be strictly followed.
