

# Lunch Application

**We will be using our online payment system called PaySchools Central for school meals AND the free/reduced lunch application**

(a paper copy of the application is still available on our district website and at each school).

This can all be done in convenience of your own home through an easy-to-use online portal at [www.payschoolscentral.com](http://www.payschoolscentral.com) or while on the go with a convenient mobile app, available at your fingertips. Search “PaySchools Mobile” wherever you get your mobile apps.

The PaySchools Central parent portal is easily accessible and is available on the district website. Simply visit [www.payschoolscentral.com](http://www.payschoolscentral.com) and click on ‘Register’ where you can create your account.

Creating a PaySchools Central account is easy and quick. Simply add your child to the system using their student ID number and some other basic information. Next, the system will take you through a step by step registration process. Once your account is created, you will find a variety of features that will make the management of your student’s fees easier.

We are pleased to offer our parents a streamlined online payment system that will provide you with a faster, easier, and more convenient option for managing lunch accounts for your entire family.

There may be fees associated with deposits on PaySchools Central.
