January 2022

Dear Parents, Grandparents, and Guardians;

Can you believe we are actually writing 2022? It seems like only yesterday we were anticipating something awful as we ushered in 2000. At this time; however, as we usher in 2022, I believe that everyone is praying that it is better than the last two years have been.

As we look at January (and even into February), we do not really plan much due to the possibility of inclement weather. Report cards will be available for viewing and the kids will be taking their mid-year MAP tests when we return from Christmas break.

**\*\*\*REMINDER- IF you have changed phone numbers, please be sure to update that information in Progress Book. All-calls regarding cancellation of school as well as two (2) hour delays will be sent to the number that is in there.**

As in previous years, Claymont gets five (5) days to be used for inclement weather. After the 5 days, students will need to be available for zoom lessons. The teachers will teach as though in school on those days, so students will need their chrome books and to be up and ready for a regular school day. Attendance will be taken and will count. This is the new “blizzard bag” as required by the state to prevent make-up days at the end of the year.

If you have any questions or concerns, please, don't hesitate to contact me.

May you have a wonderful Christmas Break and may 2022 be one of your best ever!

**HAPPY NEW YEAR!!!!**

Sincerely,
