

## How Can Parents Get Involved in Their Child's Education?

Your involvement is an integral part of your child's education! By taking an active role in our school, parents show their children that they are valued and that education is important. Below you will find a variety of ways that you can be involved in the education of your child:

- **Read** to and with your child **daily**
- Support children in completing **homework**
- **Attend** parent/teacher conferences
- **Attend** open houses and parent involvement activities
- **Volunteer** in your child's classroom
- **Be aware** of Testing dates
- **Communicate** regularly with your child's teacher

## **What is Title I?**

Title I is one of the nation's largest federal programs through which school districts receive federal funding to provide supplemental instruction for students based upon academic need. The goal is to increase performance and academic achievement in the areas of language arts and/or mathematics. Schools are identified as Title 1 based on the economic level of the families who attend. The number of students receiving free and reduced lunch qualify a school to receive Title 1 funding.

## **Claymont & Title I**

- If the free and reduced lunch population at a school is greater than 40%, that campus qualifies us for school-wide Title 1 status.
- Funding is used to benefit ALL students in the school.
- Claymont uses Title 1 funds to purchase technology, academic resources, host parent meetings and activities, staff salaries, and provide collaborative planning and professional development for teachers.

## **Purpose of Title I:**

- ✓ Help every child receive a high quality education
- ✓ Build capacity for parent involvement
- ✓ Provide professional development for building staff

## **Eligibility Requirements**

A variety of factors are used to determine student eligibility, including but not limited to: standardized tests, classroom-based assessments and performance, as well as teacher recommendations.

## **School Parent Compact**

Parents will be asked to review the compact at conferences. The compact is an agreement between the parents, student, and school to help ensure each child's academic success. This acknowledges a shared commitment that all involved are going to work together to improve learning. This compact is required by the Federal Title I guidelines.
